

**Form E-CC: California Career Pathways Trust
Partner Roles, Responsibility, and Resource Chart
Community College**

List each partner and describe the partner's roles and responsibilities for each proposed career pathway in your grant application. Roles and responsibilities should be clearly defined in terms of specific tasks, services, and/or support that they will provide for each proposed career pathway. Please do not use abbreviations or combine pathways or colleges. Each entry should have one CDE Industry Sector, one Pathway Name, one Community College District, one College Name, and the District and College code for the district and college listed. For online submission purposes, upload each page individually.
